REALTOR MLS EHO
Welcome to the Waterford area!

Let me be the first, along with the rest of the Waterford Area Chamber of Commerce Board, to welcome you to the Waterford area!

For those of us who grew up in southeastern Wisconsin, we often take the terrific things to do and see in our area for granted. But to someone unfamiliar, the combination of both suburban civilization and rural woods and lakes is equal to anywhere on the map. We have just about everything any big city can offer, along with the hunting, camping, and sightseeing that you would expect to find many hours from civilization. Not to mention small town hospitality!

Nestled right in the middle of southeastern Wisconsin is the small community of Waterford. Located very conveniently at the hub of highways 20 and 36, Waterford has found itself right at the center of all kinds of commerce. Many visitors stop in on their way between destinations, having lunch at one of our local restaurants or shopping at our local stores. This provides our area with a very unique mix. At less than 10,000 residents, it certainly has the charm and relaxing atmosphere you would expect. But, at the same time, we are within a 30 minute drive of both Downtown Racine and Downtown Milwaukee. Spend the day fishing on one of our beautiful local lakes (such as Wind Lake and Lake Tichigan), followed by an evening at Summerfest. Or, spend the afternoon biking on our local 17 mile bike trail, and follow it up with a night in downtown Madison, located just 90 minutes away.

As for family life for residents, there is a ton to offer. Our schools are consistently rated amongst the upper echelon in not just the state, but the entire nation. Our library system and recreation departments provide top notch services for youth, adults, and seniors alike.

I have been a member of the Waterford Area Chamber of Commerce throughout my entire adult life, and I can tell you firsthand that our community is incredibly tight-knit both residentially and in the business community. This is not just inclusive of Waterford proper, either. The “Waterford Area” also contains Tichigan, Wind Lake, and Rochester. The relationships I have built with business owners, volunteers, and charity organizations will last a lifetime. We at the chamber work very closely with local municipalities (such as the Village of Waterford, Town of Waterford, Town of Norway, and Village of Rochester), the local school districts (including both the Graded School District and Waterford Union High School), and other nonprofit organizations like Absolutely Waterford and the Lions Clubs. And of course, we do our absolute best to work with and represent the best interest of our hundreds of member businesses. A strong sense of unity is one of the many things that makes this area feel like a special place to live, work, and visit.

But please, do not take my word for it. Come and see for yourself! If you have any questions, visit us at the Waterford Area Chamber of Commerce. We would be thrilled to guide you to your next adventure.

And again, on behalf of the chamber staff, board, and members, welcome to our community!

Nick Borth, 2017 President of the Board
Waterford Area Chamber of Commerce

“I have been living in the Burlington and Rochester area for almost 5 years now. I am a mother of 3 boys that are all married, also a wonderful daughter who is finishing off her Senior year at Waterford Union High School. My business Main Street Boutique was started in Waterford in 2014. I decided to also begin a casual clothing boutique, above Main Street Boutique, called Up Street Clothing, this past June. I love the welcoming atmosphere of the community and have been so very fortunate to meet many members of this wonderful area. We as a business try to be involved with many volunteer projects which introduces us to new community members. These opportunities show our young employees how to contribute in the community that they live. I look forward to representing the community on the board as a director and meeting many more people.

Shelly Kurhajec, Owner, Main Street & Up Street Clothing Boutique
Welcome to the Waterford Area Chamber of Commerce, “where business and community connect.” I am proud to present our 2017 Business Directory, a great resource to find local member businesses, important government information, or things to do around the area.

The chamber hosts a number of community events during the year including the annual Waterford Area Spring Expo Saturday, March 4, the Hot Air Balloonfest July 21-23, the Full Moon Four Miler race on August 5 and the FUNd-a-Palooza chamber fundraiser on November 5. Please review the details of each event in the following pages of this guide.

The chamber has been serving the Waterford area for over 30 years. We work together with businesses and organizations to achieve economic success and build better communities. Contact the chamber office about membership for your business or organization.

The chamber office is located in the heart of downtown Waterford, 102 E Main Street, next to the beautiful Fox River. Office hours are Monday through Friday, 9:00 a.m. to 4:00 p.m. Stop by or call 262-534-5911 if you have questions about the community, the chamber, local businesses or the surrounding areas.

We hope this guide provides you with the information about our members and their services. Visit our website www.waterford-wi.org or follow us on Facebook, Twitter, Instagram and Pinterest to see the latest our member businesses and communities have to offer.

Katy Engels, Executive Director
Waterford Area Chamber of Commerce
The Waterford Area Chamber of Commerce is proud to promote our chamber members and continues to offer valuable educational and networking opportunities for business members.

In addition to the monthly chamber networking lunches, the chamber has partnered with other local chambers to host networking events that continue to add value for our members. The Waterford Area Chamber of Commerce co-hosts these events in order to help build and grow business within the area.

Multi-Chamber Speed Networking

Join us for the Multi-Chamber Speed Networking opportunity during the spring and fall. The networking luncheon includes seven to ten area chambers and boast opportunity to expand your client base and bottom line.

One of the best ways to get ahead locally is to network – make new connections and meet new people. The more people you meet, the more referrals you are likely to receive. It is proven that most successful businesses are built on referrals.

Discover how people in other businesses are growing business, and adapt it into your business plan. Great ideas for changes, growth, and new directions for your business can be found by listening to how other businesses operate. And they don’t have to be competitors to be a source of inspiration and motivation – often they can be in completely different businesses. More information for this event can be found on www.waterford-wi.org.

Build your business

Waterford and the surrounding area offer prime locations for commerce. From the coffee shops and cafes, to the professional services, to the boutiques, there is great economic opportunity within your reach.

The Waterford Area Chamber of Commerce is ready to assist you in finding the perfect location for your business in the Waterford area. With many resources and tools available, the chamber can connect you to businesses and organizations to help you create a business plan, steer you to workshops to learn particular areas of business, and direct you to resources for low interest loans to start up your business, your dream! Call the Chamber of Commerce office at (262) 534-5911 to start building your business today.

Become a Member

Become a member of the Waterford Area Chamber of Commerce and enjoy the many of the networking, promotional and marketing benefits we offer. Our members are listed in this guide as well as on our online directory, receive discounted event and advertising fees, multiple networking events and much more. Call 262-534-5911 for more information!

102 E Main Street
Waterford, WI 53185
www.waterford-wi.org

Become a Volunteer

The Waterford Area Chamber of Commerce relies on volunteers to make things run smoothly. The chamber staff is small and welcomes any help its members, employees, families or the community are willing or able to provide! Contact the chamber office for more information.

Mission statement

The mission of the Waterford Area Chamber of Commerce is to promote responsible business development, tourism and growth in the overall best interest of the Waterford area through services and representation of the business community.

“I’m a Realtor for RE/MAX Premier Properties in the Waterford/Burlington area and have raised my family for over 15 years in the area. I joined the chamber in 2013 to get to know the community and to help start my new business and I can say it was the best decision I have ever made. I have made connections with so many wonderful people that have helped me not only boost my career but are now lifelong friendships.

Suanne Riley, RE/MAX Realtor

This year marks the seventh annual celebration of lighter-than-air flight in Southeast Wisconsin. More than a dozen balloonists from around the nation gather for this genuinely unique event which is growing in stature.

The Waterford Balloonfest is one of about 100 festivals that balloon enthusiasts coast-to-coast know about, talk about, and vow to revisit each year. Held on the spacious Evergreen Elementary School Grounds, 817 W Main St, Waterford – with ample parking – the highlights of the fest include nightly “glows” Friday and Saturday evenings around dusk, and an early morning launch on Saturday with a farewell launch Sunday.

Once you’ve witnessed a glow with your own senses, you’re sure to make this an annual outing. The balloons’ nylon envelopes are slowly filled with bursts of hot air... the flames not only make the dazzling colors of the fabric glow against the sky, but the gas-fired burners produce a roar that defies description. An announcer cues the pilots with a countdown periodically throughout the evening so you know exactly when to snap that once-in-a-summer photo or selfie with all the aircraft lit up on the field behind you.

You are so close to the action, you are part of it plus it will be a part of your summer to remember in Waterford.

Local establishments are on the grounds offering delicious summer fare and non-alcoholic beverages at family-conscious pricing. The food and delectable desserts are enough to keep visitors coming back year after year, as if the brilliant sky show wasn’t enough. Hosted by the Waterford Area Chamber of Commerce, this event is run by many dedicated volunteers. All events/activities are weather dependent so follow us on Facebook and Twitter for up to date event information.

Can’t miss this family-friendly weekend of color in the skies with activities for kids, delicious food, craft/vendor fair, helicopter rides, amateur photo contest and more! Come see balloon ascensions and majestic glows illuminating the night! Right here. In Waterford.

To learn more about hot air ballooning, the festival, schedule of activities, lodging, and vendor space availability visit the chamber website www.waterford-wi.org.
While bridges have made transportation across the river more efficient, we’re still largely defined by our name and the beautiful Fox River that runs through our quaint village. Many communities may envy the natural resource we’re proud to claim right outside our door. The river travels from Waukesha County through the village and on to Illinois, providing many options to enjoy fishing, bird-watching, quiet reflection, paddle sports, and just enjoying the view. In the mere 2 miles of river that runs through the heart of the village, six public parks provide free and easy access to enjoy the river. The Village continues to explore new options to improve the river experience and continues to work on the core development team for the Fox River Water Trail.

Village leaders – government, business, and other community organizations – continue to work together to enhance the quality of life in our community for residents and visitors. The Village Board has embarked on the process of strategic planning, creating a plan for the future that addresses retail and industrial development, markets Waterford as a recreation destination, and explores areas of government services to find efficiency through collaboration with nearby jurisdictions.

Communication opens new lanes for collaboration, a key to success as community organizations work to mitigate the challenges ahead for downtown Waterford and its businesses in the face of major road construction in the next few years. Despite these challenges, we believe patrons will overlook a bit of roadway challenge to enjoy the creative and unique retail offerings and mouthwatering, tasty food options on the other side of that small “Road Work Ahead” sign. An exciting future lies ahead and the Village is poised to embark on a journey to shape the community to be the best it can be with a beautiful downtown that is open for business, recreational opportunities that engage residents and welcome visitors, while retaining the charm and warmth for which we are well-known.

Waterford
The place to ford the river

I grew up in Racine, but moved west after joining Edenhofer Law Offices, which serves western Racine and Kenosha Counties, in 2011.

We opened our Waterford office in the spring of 2016 and have been inspired by the warm reception and support of the Waterford community and Chamber of Commerce. This is a community that understands that lifting one another lets everyone thrive. Even before we joined the Chamber, it reached out to get us involved and made us feel like part of the community. We look forward to working with Waterford and the wonderful people here for years to come.

_Bryce Lehman, Attorney, Edenhofer Law Offices, S.C._

Town of Norway

The Town of Norway was established in 1847 by pioneers mainly from Norway. It is said that these adventurous people found the area similar to their homeland. Today there are 8,000 people living in the township.

There are 3 lakes in the town – Wind Lake, Waubeesee Lake, and Long Lake, all providing great summer and winter activities. Agriculture is an important part of the town’s economy and the town has one of the largest concentration of sod farms in the Midwest. This provides a beautiful drive along the side roads in June.

Diverse businesses thrive in the Norway Industrial Park along Hwy 45 and they contribute to the economy of the town plus the region. Norway is also home to many restaurants, a custard stand, an indoor archery range, and the first winery in the area. Col. Heg Park, a Racine County Park, is located across from the Town Hall.

Meyer Park, adjoining the Town Hall, is a 22-acre town park containing a barn and 2 shelters available for rent. Hundreds of young people play baseball and other sports throughout the year in the park. Every September, the businesses in the community contribute towards a wonderful Community Picnic for all to enjoy. The Norway Town Board is proud to have the lowest municipal tax rate in the County of Racine, has a very comprehensive recreation program, enjoys working with adjoining communities to share ideas and services whenever possible, and is proud to be a member of the Waterford Chamber of Commerce. – Jean M Jacobson, Norway Town Chair

---
Waterford Public Library

The Waterford Public Library is located along the west side of the Fox River at 101 N. River Street in downtown Waterford. Library cards are available free of charge to any area residents with current identification and proof of address. Parents must be present to register their minor children under 18 years of age.

Hours: Monday-Thursday 9:00 a.m. - 8:00 p.m.
Friday 9:00 a.m. - 6:00 p.m.
Saturday 9:00 a.m. - 1:00 p.m.

The Waterford Library is a member of the SHARE consortium, which means that a Waterford library card will work at all 15 public libraries in Racine and Walworth counties. The Waterford Library offers a wide variety of materials in many formats including the following: adult and juvenile books, large print books, books on tape, electronic books, Overdrive, Zinio, Gale Courses online, CD and MP3 players, music CDs, videos, DVDs, video games, literacy kits, magazines and newspapers.

An item that isn’t on the shelf at Waterford Library can be easily obtained by placing a hold for the item on our online system. The item will then be delivered to Waterford via our daily delivery system with the other SHARE libraries or through interlibrary loan with other library systems.

Patrons can also request equipment that is available for loan on a scheduled basis. Available equipment includes many types of projectors, a screen, photocopier, typewriter, a digital microfilm/media reader, multimedia projector, DVD players and 14 Internet stations are available for use onsite. A large meeting room, conference room and two study rooms are available for groups to use during the libraries open hours. Reservations are required for use of private rooms. Escort tours of the collection and facility could be arranged with the staff upon request with two weeks’ notice.

*Services and Programs*

**» Homebound delivery** is available to any Village of Waterford resident who is unable to visit the library because of a temporary or permanent physical disability.

**» Adult Book Club** meets the last Wednesday of each month in the Waterford Community Room at 5:30 P.M.

**» Adult Programs and Family Movies** are offered periodically.

**» Lap-Sit Story Times for children ages 3 and under with caregiver present are scheduled regularly each month.**

**» Preschool Story Times for three, four and five-year-olds are scheduled regularly each month.**

**» Summer Reading Program** is designed to encourage enthusiasm for books and development of children’s reading skills. Activities include reading incentives, story times, Lakeshores Library System Story Wagon, theme related programs, crafts and a grand finale. The program is for children of all ages.

**The Teen Advisory Board** meets monthly and offers volunteer teens a chance to suggest programs and materials for the library.

**The Friends of the Waterford Public Library** are a group of volunteers who support the development of library services in our community through various projects, activities and with the proceeds from the sale of items in their gift shop. Membership forms are available in the shop located at the entrance to the library. Join the Friends!

Please visit our website at www.waterford.lib.wi.us to view all of our online resources and like us on Facebook to keep up to date with our daily activities and programs.

Absolutely Waterford

Absolutely Waterford is one of thirty-four Main Street America™ programs in Wisconsin, a subsidiary of the National Trust for Historic Preservation. The organization was established as a catalyst for economic development and historic preservation in the Village of Waterford’s unique downtown Heritage District.

Volunteer Driven

With a preservation ethos, Absolutely Waterford volunteers focus their efforts on activities that draw visitors to its downtown businesses, while developing strong partnerships with local organizations to help promote revitalization efforts. Absolutely Waterford’s volunteer ranks have grown to over 75 individuals, with broad representation from Waterford area businesses, civic groups, residents, and local government.

Four-Point Approach

Absolutely Waterford is organized around the National Main Street Four-Point Approach model. Under the direction of a volunteer Board of Directors, four committees develop and implement the organization’s activities which include: Economic Development to enhance and strengthen downtown businesses; Promotions to increase market image and develop events to draw residents and visitors downtown; Design to develop appreciation for the Heritage District’s unique cultural and physical assets and implement beautification projects; and Organization which handles fundraising for sustainability and volunteer development.

Village as Social Center

Although a relatively new organization, Absolutely Waterford has already established or taken on several annual community traditions, including a juried, fine arts walk called River’s Edge Art Walk held each October; the wildly popular Waterford Winter Wonderland Parade held at the beginning of December, the Pooch Parade and Carnival each August, and Absolu-Teas which take place whenever and wherever a supporter of Absolutely Waterford holds a tea to benefit the organization. In addition, Absolutely Waterford opened The West End Gallery (WEG) to offer local and regional artists the opportunity to exhibit their works. In 2016, the first year of operation, the WEG featured over 20 artists who exhibited works ranging from pottery to photography, and everything in between.

Become a Volunteer

Absolutely Waterford welcomes new volunteers with fresh ideas. For more information about becoming a volunteer, visit www.absolutelywaterford.org, or call (262) 534-9000. The AW office is located at 206 West Main Street, in the heart of the Heritage District.

“I am a member of the Tichigan Lake Lions Club. I lived my entire life in Waterford, my kids and grandkids lived here their entire lives, and we all, including my wife of 42 years, attend/attended school in Waterford. Lions motto is ‘We Serve’, so in addition to raising and donating many tens of thousands of dollars back to the Waterford area, we run events such as the annual Easter Egg Hunt for the kids, Picnic In The Park (with Waterford Lions), Tichigan Parade, Car Show, Daytona Party, Fishing Jamboree, Blood Drives, Thursday Bingo, Medical Equipment loans/donations, Youth Eye Scanning, and many others. Tichigan Lions joined WACC as a way to say thank you to everyone and every business that donates to the Lions so we can multiply those dollars and give it all back to the community. We welcome you to visit us at the Tichigan Civic Center, which we make available at no charge to other area community organizations.

Lion Dan Dickinson, Tichigan Lake Lions Club
Join us for a unique run under the evening stars and by the light of a full moon the first Saturday in August as we celebrate the best evening run around at the Full Moon Four Miler. The 14th annual timed run/walk draws over 400 participants, who are ready to sprint through the streets and make their way to the finish line on a certified course. The race is one of the few starting after the sun lays to rest and the moon comes out to illuminate the way as runners strive to accomplish their goals.

Spectators cheer on the runners along the route that starts at St. Thomas Aquinas School. Runners and walkers alike return year after year to take part in this race that provides all pre-registered participants with one of the best commemorative runner shirts given out for a run/walk.

In addition to receiving a highly demanded shirt, runners also receive a drink ticket, goodie bag, glow bracelets, and fruit and snacks to replenish them after their exhausting run. An awards ceremony finished off the night that includes 13 categories, including overall male and female receiving a special one of a kind award crafted by a local artist just for this event.

Walkers also enjoy the evening. It’s a great way to bring a group of friends or family members together to get some exercise and continue on a path of wellness. It makes for a fun night for a reasonable cost. Registrations are taken online at Active.com as well as at the Chamber office, 102 East Main Street, Waterford. Forms are on the Chamber website www.waterford-wi.org.

The Waterford Area Spring Expo is so much more than your average home show. Come check it out and see why attendees come to Waterford’s show year after year looking for contractors and businesses that fit the bill.

NEW this year! The Expo will feature speakers on Senior Health & Well being between 9:30 a.m. and 2:30 p.m. Come in and listen to experts share information about Medicare, living options, safety, estate planning, nutrition, fitness, caring for aging parents/spouses as well as other pertinent topics. Our Expo also offers traditional home improvement and remodeling contractors, landscapers and arborists, roofers and window companies, plus finance/banking, travel/leisure, photographers, bakers, and many more!

With more than 100 exhibitors at this one-day show, Waterford Area Spring Expo can provide any area of service and information you are searching for. Whether looking to update, remodel, move or build a home, invest in real estate or planning to travel, this is the place to be. And don’t forget to visit the food court and help support our local eateries for lunch.

Kids can join in the fun, too. The Kids Zone is full of activities, including balloon twisting, face painting, crafts and more for your little ones. Everyone will leave with smiles on their faces. There will be a food donation drop off for a local charity.

Schedules can be found on the Chamber website www.waterford-wi.org.

---

"I am the pastor of Hope Church in Waterford that began as a new congregation almost two years ago. Becoming a chamber member was one of the first things we did. We have found that the friendships and support have been invaluable in fulfilling our goals. Our primary desire is Helping People Experience Hope. One of the ways we are endeavoring to do this is through partnering with others to serve people. Waterford is filled with caring people who are friendly and willing to help each other. Hope includes a better future and this is a place where that can be experienced."

**Howard Edwards, Pastor, Hope Church**
Hi, my name is Derik Steffens. I am a Property & Casualty Producer at Steffens Insurance Group, Inc. in Waterford. Steffens Insurance takes a unique approach to insurance. We like to sit down with our clients to get to know them personally and professionally. Our macro-economic approach to insurance will help you manage risk with the desired coverage at a competitive price. We have over a dozen companies to work with in our Agency to present you with options, putting you in complete control of your insurance needs. If you would like to see if you are receiving the best coverage for the best price on your auto, home, or business policies give us a call today at 262-534-2727 and we’ll do the rest! Steffens Insurance also has a full-fledged financial services department in V3 Financial Wealth Strategies. Come see how we can organize your financial world while maximizing income, liquidity, and legacy!

Steffens Insurance has been in Waterford on 417 N. Milwaukee St. since 1990, and has been in business for 35 years. Being a Waterford Chamber Board Member will give me the opportunity to give back and keep me aware of what is going on in our community. I am excited and proud to be a part of the chamber to see how the process of marketing our town and creating a connection between the community and local businesses works on a daily basis.

Derik Steffens, Insurance Agent, Steffens Insurance Group, Inc.
WATERFORD UNION HIGH SCHOOL
www.waterforduhs.k12.wi.us
11926 W. Highway K, Franksville
262-835-4069
North Cape School District is a K-8 elementary school located west of I-94 on highway K and is a feeder school to Waterford Union High School. North Cape School has outstanding teachers, support staff, parents and community members who care deeply about our students. North Cape School focuses on a rich curriculum experience that challenges our students to think critically and problem solve in preparation for our global economy. Every 4th-8th grade student has an iPad to use throughout all teaching and learning activities and 4K, 5K-3rd grade have several shared iPad devices. Most importantly, we pride ourselves on creating a safe, nurturing school environment for all students. Failure is not an option as we strive every day to be the “Best School on the Planet.” North Cape School District Exceeds Expectations on the Wisconsin State Test, the Forward Exam.

ST. THOMAS AQUINAS PARISH SCHOOL

When Family Needs Family’ isn’t just a tagline, it’s a promise.

Elder Care Cottages of Wisconsin is a locally-owned and operated CBRF level of Assisted Living with Memory Care specific cottages. We are proud to offer a fresh approach to traditional assisted living homes in this area. When you walk into our cottages, you will see and feel the difference. Our goal is simple - to enrich the lives of our residents while providing them with the support and care they need to age in place. We enjoy being involved with the Chamber because it allows us to stay connected with our community.

My family and I moved to Waterford 39 years ago when I accepted an administrative position in the Waterford Graded School District. I have now been retired for 11 years. However, through my involvement in the school district, Lions Club of Waterford and various other service and government boards, I have witnessed many opportunities for our community to benefit when these groups communicated and worked together on projects with the Chamber. I am appreciative of our Chamber staff and its many volunteers.

Office Hours By Appointment
After relocating to Waterford nearly eight years ago, my family quickly became engaged in much of what the town has to offer. With its great schools, family-friendly events, and prideful townspeople, we cannot be happier with our choice. Since starting my own business and joining the Chamber, I have an even greater appreciation of our community and the businesses we support. Waterford is truly a wonderful place to live and work!

Shannon McGuire, Owner, Wisconsin Education Network
