Event / Committee Participation

~Volunteers are not paid. Not because they are worthless, but because they are priceless! ~

The WACC relies on volunteers of many kinds. As a way to get involved with the Chamber we encourage you to volunteer and be part of the Chamber team – it's a great way to network and promote your business/organization. Please note that volunteers do not have to be the owner, they can be the employees, co-workers, & family! Please indicate below which committee(s) you may be interested in.
